## A message from our Club President:-

Despite the dire predictions of a paucity of flowers being available for the Annual Show, as usual, the displays were a credit to all the Societies who participated. I was congratulated (On behalf of the Bundaberg Society) many times over the weekend for a wonderful show.

First time visitors were amazed at the number and variety of flowers in the displays. Attendance was over 2000 again.

The Society was again pleased to be able to support Cancer Council Queensland with a cheque for \$1500 being presented to the Bundaberg Branch representative.

This Show will be the last to be held at the Civic Centre. Cr. David Batt, representing the Bundaberg Regional Council, assured us that the facilities being currently built at the Multiplex Centre will be bigger and better than the Civic Centre - so this is encouraging.

I would like to sincerely thank all our members who helped to make the show a great success. Congratulations to all the prize winners and especially to Rick and Bronwyn Emmerson as Grand Champions, and Bev and Alwyn Heidke as Reserve Champions.

A special thanks go to the visiting societies for their participation. Without their contribution our show would not be the outstanding spectacle that it has become.

Bob Shield, President.

I will start showing photo's from the show next month. (Editor)
