Retirements

At our last Annual Meeting we saw the retirement of Ren Thompson as Club Secretary. Ren has attended to these duties for many years. The Club thanks him for his dedication and expertise in this position. Ren will continue as Show Secretary. Andrew Straume is the new Club Secretary. Welcome Andrew to this position.

Bethel Hughes has for many years attended to the corsages at the annual show and together with Kay Thompson who has been the food convenor at the show are retiring from these positions. Both Ladies have been doing these jobs since Moses played fullback for Jerusalem, but they wish to step back. The club thanks them for their tireless work at their respective jobs and may they enjoy the quieter times ahead.

Positions Vacant

The club now requires members for the positions of Flower Arranger and Catering Convenor. Can you help? Please put your hand up and let Andrew Straume know. I am sure both Bethel and Kay will be only too happy to give you any details you may require.

The Food section is always a point of attraction. Therefore, the Catering convenor has the job of providing some delicious morning & afternoon teas.

With the all important Bundaberg Orchid Show on Mother's Day weekend 8th, 9th, & 10th May coming up rather quickly, Deborah Shield has offered to provide guidance with the catering but needs your help.

It is most important that home cooking is provided. Should you wish to help, and don't cook or have the time, drop into the Bakery and bring a (bar cake, block cake or a date roll). All of which can be sliced to an acceptable size to sell. Supermarket style cakes or biscuits cannot be used, because of their sizing. Slices and biscuits(Jam drops, Cornflake biscuits & Ginger biscuits) are always suitable. Iced cupcakes are always a winner.

Hint: When baking Boiled fruit cake, Gingerbread, Sultanas cake, Date cake or any small block cakes, bake them in a Bar Tin. Makes slicing & serving them so much easier. These suggestions are meant to assist you and not a requirement. .

Due to the busy times ahead in the Orchid Club, a book or books will be made available so to record your intentions of attending the various outings. Please be precise, note where you are adding your name to. The Field day, April 4th requires some thought, Morning tea, Lunch, dinner and the Sunday visits will all need to be recognised. Numbers are important for the purpose of catering.

Please ask if you are not sure. These *Visiting Club* days are great fun. Join in and be a part of what your Club Membership means.

Bad Writing is something, but bad printing is unacceptable.

When you are filling out any paperwork of the requirements for Judging etc, you **MUST** print so that the information is *clear & legible*.

Try getting the *Name of the Orchid* correct and that then, will tell you *how to spell* the word. More knowledge of the use of (Upper & Lower case, Species or Hybrid) will help you to better understand the requirement. The studios panel recording the results have a difficult job understanding bad printing & bad spelling. Being a little considerate will lighten their load so they too can enjoy the meetings.

Names of Orchids and the types are so confusing, that here is a couple of names to confuse you even more. We hear these words and never find out what they mean. Being able to put a name to an Orchid is sometimes difficult, or even relating it to a Section, requires asking questions from those who grow these types that you are attracted to . We hear these ones quite often..
