Orchid News for Meetings

The **February NIGG Meeting** at Alwyn and Bev Heidke's place was well attended with 60 members in attendance and all who attended learned how to fault find diseased and problem orchids as well as some detailed information regarding bush house construction and location. This meeting was to be held at Mel and Carolyn Smith's place, but due to the heavy rain just prior, their place turned into a bit of a mud patch and was no longer suitable to hold the meeting; so Bev and Alwyn stepped up to fill the gap. Well done Alwyn and Bev. There will not be a NIGG Meeting in March due to our bus trip that weekend.

The next **NIGG Meeting** will be held on 2 April 2023 at Christine Tholstrup's place. Her address will be sent by separate email. There will be a raffle and members can bring plants for sale and a plate along to supplement the biscuits that are supplied for morning tea, if you feel like contributing to the day with some of your awesome home cooking. This meeting will also be the judging of the Grower of the Year Plants handed out last year, so bring along the orchid that you were given last year and see how you fared compared to others.

Our next **Monthly Meeting** is 16 March 2023. We will not be having our usual bring a plate along supper, so there is no obligation to bring a plate, for this and the rest of these meetings in 2023, however if you feel the need to bring a plate you may do so. Tea, Coffee and Biscuits will be provided.

2023 - 50th Anniversary Function will be a Luncheon at Rowers on the River on Saturday 22 July. More info on this later.

MONTHLY GENERAL MEETING 16 FEBRUARY 2023

Our first **Monthly Meeting** for the year was well attended by 52 members. We also signed on a couple of new members being Peter and Faye Swanson - welcome. The President thanked Bob Massie for doing a great job making box stands for the Champion Orchids at this years May Show. He also explained that we need a special effort from our members to submit plants, and to volunteer to assist at the show this year, as we need this to be a very special show, given that it is our 50th Anniversary Golden Jubilee Show. The one page Schedule and Show flyer are at the end on this newsletter.

Our bus trip to the Field Weekend in Rockhampton, on the weekend 4-5 March 2023, is still bubbling along and we need members to arrive no later than 05:15am on the morning of Saturday 4 March, at the Bundaberg Coach Depot at 20 Verdant Siding Road.

Alwyn also pointed out that we need to support the **Childers Show being held on 24 and 25 March** with set up on the Thursday 23 March and to please send you plant entry information to Bev before **Monday 20 March**.

The Club merchandise is available only to BOSI members not the public.

Please phone Bev on **0427 667 706** or Email aheidke@bigpond.com to arrange a suitable time for you to collect any merchandise you require for your Orchid Potting. If you want to collect Items from Bev at the monthly meetings please let her know a few days prior of what you need. Please do not ask for more than what you have ordered when collecting your items as this places our magnificent merchandising lady in an awkward position. Also if you call use her mobile number above, not the home phone.

While the Bundaberg Orchid Society Inc. endeavours to ensure reliability and accuracy in this Newsletter's editorial content, responsibility for advice and views expressed is not assumed by the Society or the Management Committee.

DEFINITIONS:

1. In the *Cattleya* section classes 1-11 inclusive, the term *Cattleya* includes all intra and inter generic hybrids between one or more of the *Cattleya* alliance genera.
2. A cluster *Cattleya* shall have a minimum of five (5) flowers.
3. May be single or multi flowered, brightly coloured, little emphasis on shape.
4. Spatulata hybrid *Dendrobium* shall exhibit a minimum 180 degrees twist in the petals. Measurements are taken from the top of the petal to the outer end of the bottom sepal on the diagonal.
5. Intermediate *Dendrobium*-Hybrid between Spatulata group and another group. Clearly showing influence of spatulata group with less than 180 degrees twist in petals
6. *Oncidium* intergeneric hybrids - exhibition type hybrids
7. *Oncidium* intergeneric hybrids – Starry or novelty type hybrids shall have open or Starry shaped flower.
8. Australian native orchid - includes all species indigenous to the Australian mainland, Tasmania and islands under the political control of an Australian State or Territory
9. Australian native hybrid - hybrid with only Australian native species in their ancestry.
10. The orchid awarded the QOS medallion shall exhibit some special quality or outstanding characteristics which may not necessarily be sought or of significance with reference to the judging standards and **has not gained 1st place in its class.**
11. Australian native orchids shall be eligible for class 37 only.
12. Australian native hybrids shall be eligible for class 38 only
13. Species shall be eligible only for the appropriate species class.

RULES AND CONDITIONS OF ENTRY

1. Entries are free and open to all orchid society members.
2. The show marshal, in cooperation with the show committee, shall have the right to refuse any entry.
3. No plant may be removed from the show prior to the official termination of the show without permission of the show committee.
4. The show committee will interpret all rules and be responsible for the arbitration of any disputes.
5. All plants must be clearly labelled.
6. Exhibitors are required to clearly mark all pots with their initials or show number.
7. A flower or flowers missing from an inflorescence will disqualify only that inflorescence, except when the missing flower or flowers are tabled on the pot. Flowers missing from a progressively flowering inflorescence is normal and acceptable.
8. A pollinated, dead or dying flower on a plant shall not disqualify that plant or inflorescence, but shall detract from the merit of the exhibit.
9. A minimum of 50% of buds on an inflorescence must be fully open before it is eligible to be judged.
10. The champion orchid is to be selected from those first prize winners, which the judging panel believe should be considered for champion. Reserve champion is to be selected from the remainder of those initially selected by the panel together with the runner-up to the champion in its class (If considered suitable).
- 11 Staking and tying to display the inflorescence to its best advantage will be permitted, but if in the opinion of the judges this is considered to be excessive this shall detract from the quality of the plant. The ties may be removed to allow assessment of the strength of the inflorescence.
12. The Bundaberg Orchid Society Inc. will ensure that all care is taken to safeguard all exhibits, but will not accept any responsibility for theft, loss, destruction or damage to plants.
13. The show will be judged by a panel of accredited judges under the control of a Registrar appointed by the STOCQ. The judge's decision is final.
14. Any questions on the schedule, conditions and rules of entry, definitions etc. will be answered by the show marshal after consultation with the show committee. All decisions so given are final.
15. Where there are less than three entries in any given class those entries may be allocated to another class for judging viz. species to class 35 and hybrids to class 36.
16. Any plant exhibited is eligible for an AOC award. (Owner's permission required)
17. Plants eligible for judging must have been owned by the exhibitor for at least 6 months
